

Out Of State Travel & Child Care During COVID-19

- Please follow the rules in the **Governor's Travel Order** when returning from travel to help keep child care open for everyone.
- This includes not dropping off or picking up your child from care if you are subject to a **14-day quarantine upon return from travel.**
- Speak with your early childhood educator to discuss your plans and their expectations upon return!

It's up to each of us!

Visit mass.gov/MAt traveler for more information and the most up to date list of lower-risk states.
